Take the ribbon from your hair shake it loose and let it
fall
Laying soft upon my skin like the shadows on the wall
Come and lay down by my side till the early morning
light
All I'm taking is your time help me make it through the
night
I don't care who's right or wrong I don't try to
understand
Let the devil take tomorrow Lord tonight I need a friend
Yesterday is dead and gone and tomorrow's out of
sight
And it's sad to be alone help me make it through the
night
[steel]
Lord it's sad to be alone help me make it through the
night
[steel]
Lord it's sad to be alone help me make it through the
night
