(Hank Williams)

Today I passed you on the street
And my heart fell at your feet
I can't help it if I'm still in love with you
Somebody else stood by your side
And he looked so satisfied
I can't help it if I'm still in love with you.
A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
Then suddenly I got that old time feeling
I can't help it if I'm still in love with you.
--- Instrumental ---
It's hard to know another's lips will kiss you
And hold you just the way I used to do
Oh, heaven only knows how much I miss you
I can't help it if I'm still in love with you...
