(Lefty Frizzell)

If you're ever lonely darling think of all that I've been through

Long and lonesome nights sweetheart I've waited on you

Say in your mind you have it coming and you know you have to pay

Maybe baby you will learn and change someday.

Why oh why did you try to deceive me

You've made me blue sweetheart both night and day

Say in your mind you have it coming and you know you have to pay

Maybe baby you will learn and change someday.

--- Instrumental ---

Why oh why did you try to deceive me

You've made me blue sweetheart both night and day

Say in your mind you have it coming and you know you have to pay

Maybe baby you will learn and change someday...
