(Lois Mann - Henry Bernard - Murray Burns)

Well, we've been sweethearts for so long

Now you say we're through

The love we shared is now a memory

I had built a ship of dreams

And planned them all for you

But now I guess what is to be will be.

I gave a message to the wind to take home

On to you hoping you would hear my S.O.S.

I thought that you would come back home my darling

Of you knew how much my aching heart was in
distress.

Well, I'll sail my ship alone

With all the dreams I own

Drifting out across the ocean blue

Yes, I'll sail my ship alone

Though all the sails you torn

And when it starts to sink then I'll blame you.

--- Instrumental ---

Now, I'm just like a ship at sea that's lost without a sail

The dark clouds hide the sun from up above

And even with these broken dreams my heart will never
fail

But deep inside there's only one true love.

Yes, I'll sail my ship alone

With all the dreams I own

Drifting out across the ocean blue

Yes, I'll sail my ship alone

Though all the sails you torn

And when it starts to sink then I'll blame you...
