Now that I've made up my mind you're gone it should
be easier now
Perhaps now my heart will stop hanging on it should be
easier now
The lesson I've learned from you gold can't buy
A heart can be broken and still survive
Thanks to you now a much wiser man am I and it
should be easier now

The worst now is over I've stood the test it should be
easier now
They say, everything happens for the best it should be
easier now
The wounds in my heart you've carved deep and wide
Hollowed and washed with the tears I've cried
But now there'll be more room for love inside so it
should be easier now
