(Rex Griffin)

Why must I love the heartless one
Who'll never know the harm she's done
Though love is blind I should have known
Just call me lonesome from now on.

I climb the stairs up to my room
But no one meets me in the gloom
The silence tells me you are gone
Just call me lonesome from now on.

--- Instrumental ---

These walls will hide me when I cry
And pray that heaven lets me die
If I must live and love alone
Just call me lonesome from now on...
