Tonight down here in the valley  
I'm lonesome and oh how I feel  
As I sit here alone in my cabin  
I can see your mansion on the hill

Do you recall when we parted?  
The story to me you revealed  
You said you could live without love dear  
In your loveless mansion on the hill

I've waited all through the years  
Love to give you a heart true and real  
'Cause I know you're living in sorrow  
In your loveless mansion on the hill

The light shines bright from your window  
The trees stand so lonesome and still  
I know you're alone with your pride dear  
In your loveless mansion on the hill
