(Hal Bynum - James Gruber)

Over you say it's over
You want me to know it's over for you
But it's not over for me
And while there's breath left in my body
It won't ever be.

Trying I can't stop trying
I know there's no hop but I still have to try
There's nothing else I can do
Though in my heart I know it's over
I can't live without you.

Over you say it's over
You want me to know it's over for you
But it's not over for me
And while there's breath left in my body
It won't ever be...
