(Jesse Ashlock)

Oh, please don't leave me anymore darling

Parting is so sad my dear

And you're the only one that I love darling

Can't you see that I'm sincere.

Once we were so happy dear

Happy as could be

Now that we've got things patched up

Please stay here with me.

And love me like you did before darling

For I'm so in love with you.

--- Instrumental ---

Once we were so happy dear

Happy as could be

Now that we've got things patched up

Please stay here with me.

And love me like you did before darling

For I'm so in love with you.

And I hope you love me too...
