(Leo Robin - Russ Columbo - Clarence Gaskill)

Alone from night to night you'll find me
Too weak to break the chains that bind me
I need no shackles to remind me
I'm just a prisoner of love.

For one command I stand and wait now
From one who's master of my fate now
I can't escape for it's too late now
I'm just a prisoner of love.

--- Instrumental ---

What's the good of my caring
If someone is sharing those arms with me
Although she has another
I can't have another for I'm not free.
She's in my dreams awake or sleeping
Upon my knees to her I'm creeping
My very life is in her keeping
I'm just a prisoner of love.

From one who's master of my fate now
I can't escape for it's too late now
I'm just a prisoner of love.

Although she has another
I can't have another for I'm not free.
She's in my dreams awake or sleeping
Upon my knees to her I'm creeping
My very life is in her keeping
I'm just a prisoner of love...
