(Stuart Hamblen)  
When you're all alone and blue  
No one to tell your troubles to  
Remember me, I'm the one who loves you.  
And when the world has turned you down  
And not a true friend can be found  
Remember me, I'm the one who loves you.  
And through all kinds of weather  
You'll find I'll never change  
Through the sunshine and the shadows  
I'll always be the same  
We're together right or wrong  
And where you go I'll tag along  
Remember me, I'm the one who loves you.  
--- Instrumental ---  
And through all kinds of weather  
You'll find I'll never change  
Through the sunshine and the shadows  
I'll always be the same  
We're together right or wrong  
And where you go I'll tag along  
Remember me, I'm the one who loves you...
