(Stuart Hamblen)

When you're all alone and blue
No one to tell your troubles to
Remember me, I'm the one who loves you.
And when the world has turned you down
And not a true friend can be found
Remember me, I'm the one who loves you.
And through all kinds of weather
You'll find I'll never change
Through the sunshine and the shadows
I'll always be the same
We're together right or wrong
And where you go I'll tag along
Remember me, I'm the one who loves you.
--- Instrumental ---
And through all kinds of weather
You'll find I'll never change
Through the sunshine and the shadows
I'll always be the same
We're together right or wrong
And where you go I'll tag along
Remember me, I'm the one who loves you...
