(Boudleaux Bryant - Felice Bryant)

She wears my my ring to show the world
That she belongs to me
She wears my ring to show the world
She's mine eternaly
With loving care I place it on her finger
To show my love for all the world to see

This tiny ring is a token of tender emotion
An endless fool of love that's as deep as the ocean
She swears to wear it with eternal devotion
That's why I sing because she wears my ring.

This tiny ring is a token of tender emotion
An endless fool of love that's as deep as the ocean
She swears to wear it with eternal devotion
That's why I sing because she wears my ring...
