(Don Helms - Merle Taylor)

Who makes me forget all the other girls I met

Sweet little miss blue eyes

Who's sweeter to me than she really ought to be

Sweet little miss blue eyes.

Who's gonna start takin' care of my heart

She makes me realize

And it's lucky for me and I really want to be

With sweet little miss blue eyes.

Little miss blues eyes looks so good

I'm gonna move her to the neighborhood

I'm gonna make every girl in town

Jealous when she's around.

I'm walking the line 'cause I'm glad that she's mine

I'm living in paradise

And I know I can't go wrong I'm just stringing along

With sweet little Miss blue eyes.

Little Miss blues eyes looks so good

I'm gonna make every girl in town

Jealous when she's around.

I'm walking the line 'cause I'm glad that she's mine

I'm living in paradise

And I know I can't go wrong I'm just stringing along

With sweet little Miss blue eyes...
