(Stuart Hamblen)

(Until the day God calls me home)

My heart can sing when I pause to remember

A heartache here is but a stepping stone

Along a path that's winding always upward

This troubled world is not my final home.

But until then my heart will go on singing

Until then with joy I'll carry on

Until the day my eyes behold my Saviour

Until the day God calls me home.

--- Instrumental ---

The things of earth will dim and lose their value

If we recall they're borrowed for a while

And things of earth that cause this heart to tremble

Remember there will only bring a smile.

But until then my heart will go on singing

Until then with joy I'll carry on

Until the day my eyes behold my Saviour

Until the day God calls me home...
