(Vaya con dios my darling)  
Now the hacienda's dark the town is sleeping  
Now the time has come to part the time for weeping  
Vaya con dios my darling may vaya con dios my love  
Now the village mission bells are softly ringing  
If you listen with your heart you'll hear them singing  
Vaya con dios my darling may God be with you my love  
Wherever you may be I'll be beside you although you're  
many million dreams away  
Each night I'll say a prayer a prayer to guide you  
To help you spend the lonely hour of every lonely day  
Now the dawn is breaking through a gray tomorrow  
But the memories we share are there to borrow  
Vaya con dios my darling may God be with you my love  
(Vaya con dios my darling) may God be with you my  
love
