(George Weiss - George Douglas - Bob Thiele)

I see trees of green, red roses too

I see them bloom for me and you

And I think to myself

What a wonderful world.

I see skies of blue and clouds of white

The bright blessed day, the dark sacred night

And I think to myself

What a wonderful world.

The colors of the rainbow so pretty in the sky

Are also on the faces of people going by

I see friends shaking hands saying how do you do

They're really saying I love you.

I hear babies cry, I watch them grow

They'll learn much more than I'll ever know

And I think to myself

What a wonderful world

I see trees of green, red roses too

I see them bloom for me and you

And I think to myself

What a wonderful world.

Yes, I think to myself

What a wonderful world...
