(Fred Rose)

Darlin', I love you so and it's kind of hard to know  
That you don't care what happens to me  
When the shadows creep through how I worry over you  
Well, you don't care what happens to me.  
I wanted a true love that never would die  
But somehow it just couldn't be  
Now the tears dim my eyes everytime I realize  
That you don't care what happens to me.  
--- Instrumental ---  
Darlin', let's not pretend 'cause our love affair must  
end  
You don't care what happens to me  
Now I know in my heart that I only played a part  
Cause you don't care what happens to me.  
I'll try and forget you and start life anew  
I know that you're glad to be free  
Give me one goodbye kiss 'cause you can't go on like  
this  
Oh, you don't care what happens to me...
