(Harlan Howard - Wynn Stewart - Skeets McDonald)

You took her off my hands  
When you've stepped in  
You changed everything  
We're not even friends.

Don't leave the job half done  
Leave nothing behind  
You took her off my hands  
Now please take her off my mind.

Please take her photograph  
My heart's so blue  
And take all her memories  
She now belongs to you.

Don't leave the job half done  
Leave nothing behind  
You took her off my hands  
Now please take her off my mind.

--- Instrumental ---

Please take her photograph  
My heart's so blue  
And take all her memories  
She now belongs to you.

Don't leave the job half done  
Leave nothing behind  
You took her off my hands  
Now please take her off my mind...
