When I was with you, I was happy
But you took my happy away
You'll have to go, leave me lonely
And my lonely just won't go away

I told you, I told you I'm sorry
My sorry gets bigger each day
With you in my arms I'd be happy
But you took my happy away

You must know by now how I need you
But you treat my need you so wrong
You must know by now how I love you
So don't wait till my 'love you' is gone

I told you, I told you I'm sorry
My sorry gets bigger each day
With you in my arms I'd be happy
But you took my happy away
