Grandma got run over by a reindeer  
Walking home from our house Christmas Eve  
You can say there's no such thing as Santa  
But as for me and grandpa, we believe

She'd been drinking too much eggnog  
And we begged her not to go  
But she forgot her medication  
And she staggered out the door into the snow  
When we found her Christmas morning  
At the scene of the attack  
She had hoof prints on her forehead  
And incriminating Claus marks on her back

Grandma got run over by a reindeer  
Walking home from our house Christmas Eve  
You can say there's no such thing as Santa  
But as for me and grandpa we believe

Now we're all so proud of grandpa  
He's been taking this so well  
See him in there watching football  
Drinking beer and playing cards with cousin Mel  
It's not Christmas without grandma  
All the family's dressed in black  
And we just can't help but wonder  
Should we open up her gifts or send 'em back?

Grandma got run over by a reindeer  
Walking home from our house Christmas Eve  
You can say there's no such thing as Santa  
But as for me and grandpa we believe

Now the goose is on the table  
And the pudding made of fig  
And the blue and silver candles

That would just have matched the hair in grandma's wig  
I warned all my friends and neighbours  
Better watch out for yourselves  
They should never give a license  
To a man who drives a sleigh and plays with elves

Grandma got run over by a reindeer  
Walking home from our house Christmas Eve  
You can say there's no such thing as Santa  
But as for me and grandpa we believe

Grandma got run over by a reindeer  
Walking home from our house Christmas Eve  
You can say there's no such thing as Santa  
But as for me and grandpa we believe
