Jesus loves the little children  
All the children of the world  
Pretty yellow, black and white  
They are precious in his sight  
Jesus loves the little children of the world

Everything is beautiful in it's own way  
Like a starry summer night  
On a snow covered winter's day  
And everybody's beautiful in an own way  
Under God's Heaven  
The world's gonna find the way

There is none so blind  
As He who will not see  
We must not close up minds  
We must let our thoughts be free

For every hour that passes by  
You know the world gets a little bit older  
It's time to realize that people lies  
In the eyes of the beholder

And everything is beautiful in it's own way  
Like a starry summer night  
On a snow covered winter's day, sing it children  
Everybody's beautiful in an own way  
Under God's Heaven  
The world's gonna find a way

We shouldn't care about the length of His hair  
Of the color of His skin  
Don't worry about what shows from without  
But the love that lives within

And we're gonna get old again now  
Everything is gonna work out fine  
Just take a little time to the look on the good side my  
friend  
And spittle in out in your mind

And everything is beautiful in it's own way

Like a starry summer night  
On a snow covered winter's day, sing it children  
Everybody's beautiful in an own way  
Under God's Heaven  
The world's gonna find a way, one more time

And everything is beautiful in it's own way  
Like a starry summer night  
On a snow covered winter's day
