Would you please meet me by the water, baby?
We'll have a really good time
Would you please meet me by the water, baby?
'Cause I can't get you off of my mind

I've been thinking everyday about you
Don't fit anywhere into my life, but that's okay
'Cause I think I might be right for you
And because of that, I'm not scared at all
And everyone says I'm crazy
And everyone says I'm a fool
Would you meet me by the water tonight?
'Cause I'm ready to break all the rules

Please don't leave me standing with my heart in my
hand
I can't last here
I'm breaking down, and no one understands why I got
here
But I knew from the very first moment that I met you
You'd be the one

Would you meet me by the water tonight?
Would you please fall asleep holding my hand?
'Cause I've got everything in store for you, baby
If you'll be my man
