Hey boy I see you walking down the aisle
I wonder if you ever see me smile
Cuz every time I move you turn around
Now I assume I could never be the one
Never be the one

I hope you leave your past behind
Cuz all I need is you to be my guy
I promise you I will understand
And all the things you say
I'll keep it all in my head
Keep it on my head

Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na

When you are near can't even look in your eyes
I feel so weird but you know it's alright
Cuz I know I meant to be with you this time

So hold my hand and walk me down my man
Walk me down my man

Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na

Hey boy I see you walking down the aisle
I wonder if you ever see me smile
I hope you leave your past behind
Cuz all I need is you to be my guy

Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na

Na na na na na na na na na

Na na na na na na na na
Na na na na na na na na
Na na na na na na na na
