Yeah, girl, you know how we do around my way
Yeah, they call me Sugar Ray Ray
Won't you come on over for this love ride?
We watch the player's sunrise 'cause my crib is
Like the chronic on the inside

Got my eye on a sexy dame
Hey, little cutie, tell me what's your name?
I'm Mr. Rayvon you call me Ray
Knockin' honies is my claim to fame

Can't remember havin' seen you 'round
Tell me, baby, are you new in town?
Your picture's in the player's lost and found
Now we're homeward bound

My crib is like chronic on the inside
Got you all hooked on my joyride
Little cutie, let me slap you on the backside
It's no surprise, enjoy the ride

Have you ever seen the player's sunrise?
Early morning love under the blue skies
Calling out my name with your love cries
It's no surprise, enjoy the ride

Now I am a man who know just how to play
You better know this is your lucky day
I got a reputation 'round my way
I can't deny a single word they say

To tell the truth, I don't have no regrets
You shouldn't let the rumors pose a threat
Just think about the times I made you sweat
Girl, you can't forget

My crib is like chronic on the inside
Got you all hooked on my joyride
Little cutie let me slap you on the backside
It's no surprise, enjoy the ride

Have you ever seen the player's sunrise?

Early morning love under the blue skies
Calling out my name with your love cries
It's no surprise, enjoy the ride

(Let me know)
Girl, you gotta let me know
(Let it show)
Girl, you gotta let it show
(Let me know)
If you want it you can get it
Every minute, every second, every hour
(Let it show)

(Let me know)
Girl, you gotta let me know
(Let it show)
Girl, you gotta let it show
(Let me know)
Every minute, every second, every hour
(Let it show)

(Chronic on the inside)
Chronic on the inside
(Hooked on my joyride)
Hooked on my joyride
(Slap you on the backside)
Flip you on your back side
(It's no surprise, enjoy the ride)
