When you've lost your way,
And you don't know which path to take; Just reach for
my hand, and I'll show you the way
When the storm of life brings you farther than you want
to go
Reach for my hand, and I'll never let go.

Chorus:

When the rain falls,
when the sky is dark
Don't be scared, I'll be there
And I'll never depart
From right now, to the end of time
I will always be there, and you'll be just fine, cause your
mine,
oh you're mine!

Verse 2:

When trials seem to rip up your dreams,
Don't give up, and don't give in
Don't let Satan win.
Remember that I'm fighting by your side,
So never run and never hide!

Chorus:

When the rain falls, when the sky is dark
Don't be scared, I'll be there
And I'll never depart.
From right now, to the end of time
I will always be there, and you'll be just fine, cause your
mine,
oh you're mine!

Sometimes things happen that we can't understand,
But call out to the Father,
take Him by the hand!

Chorus:

When the rain falls, when the sky is dark

Don't be scared, I'll be there
And I'll never depart.
From right now, to the end of time
I will always be there, and you'll be just fine,
cause your mine, oh you're mine!

You will always be mine!
