Verse 1

I never thought the day would come.
When we'd have to say goodbye.
But now the time has come,
As I wipe the tears from my eyes.
I've lost everything that meant anything to me.
But in my ears, I still hear your voice ringing.

Chorus

Haunting me in my dreams, I've tried running but I
can't. I tried to make sure my love wasn't seen.
Right here is where you left me to stand.
You walked away while I was reaching for your hand.
Once again, I let you slip away.

Verse 2

The city is so cold tonight,
It's exactly what I feel inside.
I only wish I could have one more chance,
Please one last dance. This kills me slowly.
You kill me slowly with the way.
I know you won't come back. And I regret everything I
said.

Chorus

Haunting me in my dreams, I've tried running but I
can't. I tried to make sure my love wasn't seen.
Right here is where you left me to stand.
You walked away while I was reaching for your hand.
Once again, I let you slip away.

Bridge

I love you. And I'll scream so loud that everyone in
this place, Will hear every word I say.
But this is my time, my time to let go. There was so
much you didn't know.

Chorus

Haunting me in my dreams, I've tried running but I
can't. I tried to make sure my love wasn't seen.
Right here is where you left me to stand.

You walked away while I was reaching for your hand.
Once again, I let you slip away.
