I've been waitin'
Waitin' and wishin'
Wishin' and hopin'
Hopin' you'll come alive for me tonight, babe.
Whoa oh god, come alive

You've been lyin'
Lyin' and cheatin'
Cheatin' and breakin'
Breakin' this trend until you know you're guilty
Guilty of all goddamn lies.

But I don't wanna talk about it.
So I'm just bein' bad cause
There's no love like a love like this
'Cause a love don't exist when a boy wanna play
So whoa oh oh whoa oh oh whoa oh oh...
Oh god, come on

Carolina come and get me
Alabama, Mississippi
I know you need to find some refuge with me.
Whoo!
You can't just sleep walk
Can't just sweet talk
New York Sunshine
Darlin' I don't get you in my book
I'll take you
Take you under surface

But I don't wanna talk about it
So I'm just bein' bad cause
There ain't no love like a love like this
'Cause a love don't exist when a boy wanna play
So whoa oh oh whoa oh oh whoa oh oh...
Oh God come on
(Yeah boys)

But I don't wanna talk about it
So I'm just bein' bad cause
There ain't no love like a love like this

'Cause a love don't exist when a boy wanna play so
