## Verse 1:

I wanna be somebody else today  
I wanna take my shoes out  
It ain't like me to complain  
But it just feels like I'm losing  
What's up to the people that don't know me  
Better be buried in the sand  
Climb up to the moonlight  
Spit right in the palm of my hand

## Chorus:

Cause we are, we are family  
We are family  
F-A-M-I-L-Y till the day we die

## Verse 2:

This ain't open any question (?)  
You gotta tell me straight  
Before I get it in the air (?)  
But I don't know how to be it  
And I'm gone, and I know  
Spy if you want me to know  
I told my mamma I don't even care  
And even though I hate 'em, I love 'em so

## Chorus:

Cause we are, we are family  
We are family  
F-A-M-I-L-Y till the day we die

## Verse 3:

I woke up in the gravel, with my face against the  
ground  
Had some cuts on my upper lip  
Swept in by the sound  
Of a dog barking like a maniac  
He was tied up to a chain  
With the moment that I let him lose  
Fangs were digging in my veins

## Chorus:

Cause we are, we are family  
We are family  
F-A-M-I-L-Y till the day we die
