Yeah love one
Can't talk to me that way
ooh love one
Don't talk to me that way
Cause if you wanna fight,
go ahead but it ain't gonna beat me tonight
ooh love one
ooh love one

Yeah love one
you've got that vampire look in eye
yeah love one
I just know, that you're coming by
Yooo love one
You know I need to pray you pray you and pray
Cause I rather talk to guys cause I ain't got nothing to
you to say

Come on
Love one
yeeeah oh love one
wooooo love one
woooooowoooo love one
woooooowoooo love one
Come on

Yeaaaah someone
won't you dance with me tonight
Come on love one
ain't gonna do that for my right

Hey someone
you've got to be up out of mind
cause you can't be my love one
and left you crazy half the time
woooo love one
yeeeah love one
woooooowoooo love one
woooooowoooo love one

Yeah

Come on

Let's do the shoe shine
Let's do the war time
Let's the the I'm blind
Let's do the holy ghost

Let's do the knock down
Let's do the king's crown
Let's do the night fight
Let's do the shout loud
Let's do the shout loud
Come on
Let's do the shout loud
Do the shout loud
Come on
Let's do the shout loud

Love one
Yeah love one
