Pretend you're happy when you're blue  
It isn't very hard to do  
And you will find happiness without an end if you  
pretend  
Remember any one can dream  
And nothing's bad as it may seem  
The little things you haven't got, could be a lot if you  
pretend  
You'll find a love you can share  
One you can call your own  
Just close your eyes and you'll be there  
You'll never be alone  
And if you sing this melody  
You'll be pretending just like me  
The world is mine, it can be yours, my friend  
So why don't you pretend?

You'll find a love you can share  
One you can call your own  
Just close your eyes and you'll be there  
You'll never be alone  
And if you sing this melody  
You'll be pretending just like me  
The world is mine, it can be yours, my friend  
So why don't you pretend?  
So why don't you pretend?  
So why don't you pretend?
