Midnight at the glamor show on a Sunday night  
Everybody drink a lot of whiskey and wine  
We dance like no tomorrow we're on burlesque time  
But everybody's gotta work tomorrow at nine

Touch me t-touch me baby  
But don't mess up my hair  
Love me I-love me crazy  
But don't get too attached this is a brief affair

Vanity, pictures in magazines and movie screens  
Vanity, labels and cameras, so many beauty queens  
Vanity, it's so good to be  
fabulous and glamorous  
We love ourselves and no one else

V-V-V-V-V-Vanity V-Vanity V-V-V-V-Vanity

Nothin's wrong with being just a little bit vain  
We need a little pretty 'cause this country's insane  
So go ahead and label me whatever you like  
But nothin's quite as sexy as a woman is fine

Touch me t-touch me baby  
But don't mess up my hair  
Love me I-love me crazy  
But don't get too attached this is a brief affair

Vanity, pictures in magazines and movie screens  
Vanity, labels and cameras, so many beauty queens  
Vanity, it's so good to be  
fabulous and glamorous  
We love ourselves and no one else

Look at me  
Whatcha lookin' at?

Look at me  
Whatcha starin' at?

I'm comin' around I'm sippin on Andre, it's time  
I heard the cuties in the back start in the p-party line  
Let's dance, be proud, we're in the vanity house  
We're covered in sequins, diamonds  
We're happy 'cause we're shinin'

Touch me t-touch me baby  
But don't mess up my hair  
Love me I-love me crazy  
But don't get too attached this is a brief affair

Vanity, pictures in magazines and movie screens  
Vanity, labels and cameras, so many beauty queens  
Vanity, it's so good to be  
fabulous and glamorous  
We love ourselves and no one else
