Have I ever told you How good it feels to hold you
It isn't easy to explain

And though I'm really trying I think I may stop crying
My heart can't wait another day When you kiss me I just
gotta
Kiss me I just gotta Kiss me I just gotta say

Baby I love you C'mon baby
Baby I love you Ooh-wee-oooh baby
Baby I love I love only you

I can't live without you I love everythin about you
I can't help it if I feel this way

Oh, I'm so glad I found you I want my arms around you
I love to hear you call my name Oh, tell me that ya feel
Tell me that ya feel Tell me that ya feel the same

Baby I love you C'mon baby
Baby I love you Ooh-wee-oooh baby
Baby I love I love only you

Oh, I'm so glad I found you I want my arms around you
I love to hear you call my name Oh, tell me that ya feel
Tell me that ya feel Tell me that ya feel the same
