Well I seem to be
Haunted by these ghosts
And I can't decide
Which ones grieve me most

Not wanting to remember
Still, I can't forget
I am dusty
With these old regrets

There are some days
I just wanna cry
There are some ways
I use to get by

Well you got your cross
And your hymnal too
And you say your prayers
Like you're supposed to do

And you tell me it's
This thing called 'grace'
Well, I believe you,
I see it in your face

There are some days
I just wanna cry
There are some ways
I use to get by

And I have seen this angel
Her wings are tore
She offers me string
Of pearls and thorns

And she seems to smile
Just before she disappears
And she whispers, "You're not
the only one bleeding here"

There are some days

I just wanna cry
There are some ways
I use to get by

There are some days
I just wanna cry
There are some ways
I use to get by
