"Without Love"

You are like a flower growin' in the wildwood
Bringing pleasure to the eyes
I am like a river after a rainstorm
Ragin' away too fast to die
You are a flower, I am a river
Without love we're both just a wastin' time.

You are like a rainbow spread against a blue sky
Sunrise is your next of kin
I am like a whirlwind roaring across the desert
The kind some hope to never see again
You are a rainbow, I am a whirlwind
Without love we're both just a wastin' time.

You are like a diamond shining in the sunlight
Sparklin' and precious to see
I am like a drifter always going some place
I never get to where I'm supposed to be
You are a diamond, I am a drifter
Without love we're both just a wastin' time.

You are like a prayer rising up to heaven
Pleasing the one upon who you call
I am like a scarecrow alone in the distance
Close by, there are those who would see me fall
You are a prayer, I am a scarecrow
Without love we're both just a wastin' time.

Without love we're both just a wastin' time.
