Echoes of reggae comin through my bedroom wall  
Havin a party up next door but i'm sittin here all alone  
Two lovers in the bedroom and the other starts to shout  
All i got is this blank stare and that don't carry no clout  
at all  
Destination unknown  
Ruby ruby ruby ruby soho  
He's singin and she's there to lend a hand  
He's seen his name on the marquee but she will never  
understand  
Once again he's leavin and she's there with a tear in  
her eye  
Embraces with a warm gesture it's time, time to say  
goodbye  
Ruby's heart ain't beatin cause she knows the feelin is  
gone  
She's not the only one who knew there's somethin  
wrong  
Little lover's in the distance as she wipes a tear from  
her eye  
Ruby's fading out she disappears, it's time, time to say  
goodbye
