Ohhh, Oohhh, Ohhhh
Ohhh, Oohhh, Ohhhh

Hey, DJ turn it up
Coz shawty wanna touch
& I just wanna do it, do it, do it
So much
This is just a crush
For her maybe lust
So hush and let the DJ turn it up

Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)

Baby we gotta get it right
Let's escape into the music tonight
Let the rhythm take over your soul (soul)
Let's be free, lose total control
I wanna celebrate, enjoy our lives
Let's make love
Just give me the green light
Cuz girl you keep me so mesmerized
Just be sure to save me the last dance tonight

Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)

Baby let's make some memories
Oh I love it when you smile for me
It's our world, let's take advantage

Cuz when were gone,
We're never coming back again
Let's do it till our next life
Let's move it, groove it all night
See we can do our two step
Let the music run through your veins

Hey, DJ turn it up
Coz shawty wanna touch
& I just wanna do it, do it, do it
So much
This is just a crush
For her maybe lust
So hush and let the DJ turn it up

Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)
(Let it play)
Let the music play
(play, play, play, play)
Let the music play
(play, play, play, play)

Ohhh, Oohhh, Ohhhh
Ohhh, Oohhh, Ohhhh

Could you break it down for me?
(Could you break it down?)
Baby don't you hurt nobody
(Baby don't you hurt)
I got it bad for you & you know that
(I got it bad for you & you know that)
I want you back
Girl, haven't you noticed?
(I want you back, girl haven't you noticed?)
The way you wind your waist to the music
(The way you wind you waist to the music)
Baby girl, you're gonna make me lose it
(Baby girl, you're gonna make me lose it)
Let the music play
(play, play, play, play)
(Just let it play)
Let the music play
(play, play, play, play)

Let the music play
(play, play, play, play)
(Let it play)
Let the music play

(play, play, play, play)

Ohhh, Oohhh, Ohhhh

(Hey Mr. DJ)

Ohhh, Oohhh, Ohhhh
