3 a.m. and I'm all alone
Try to call but I doubt you're home
Not much has changed here on my end
Sure would be good to see you again
I know we had our fights
Nothing since has felt that right
Lived my life from day to day
If I don't think too much everything is okay

I miss holding your hand
Miss going on walks
Miss being your man
I miss watching you sleep
Guess I just miss you... with me.

I still drive that same ol' car
Still work at that run down bar
Still hang out with that same group of guys
And on Saturday nights, still go that dive
Been two months since I had a drink
Damn good for me, don't you think?
Oh, it's been a year now since you've gone
Oh I've tried my best, I can't move on...

Cause' I miss holding your hand
Miss going on walks
Miss being your man
I miss watching you sleep
Guess I just miss you with me...

If you give me a second chance
I'll never let you go
Wallowed all my pride and now I got a let you know...

I miss holding your hand
Miss going on walks
Miss being your man
I miss watching you sleep
Guess I just miss you...
I guess I miss you... with me.
