Sailors sail, cowboys ride, lovers love when
They get the chance
Take it slow, turn down the light, soft and low
Let the shadows dance
Baby, don't hold back

Chorus:

Kiss me in the dark, roll me through the night
Hold me like you'll never let me go
Hit me with your heart, till the morning light
Let your skin talk to my soul
Kiss me in the dark

Strip away, everything, tonight there's nothing
Getting in our way
The ties that bind, the where's and why's
Take 'em off and leave 'em all outside
Lock it all outside

Chorus:

Kiss me in the dark, roll me through the night
Hold me like you'll never let me go
Hit me with your heart, till the morning light
Let your skin talk to my soul
Kiss me in the dark

Without a single word, baby we can say so much
Reveal everything with just one touch

Chorus:

Kiss me in the dark, roll me through the night
Hold me like you'll never let me go
Hit me with your heart, till the morning light
Let your skin talk to my soul
Kiss me in the dark

Kiss me in the dark
Yeah
