(Thunder/Rain)

(Door Opens/ Door Slams)

(Footsteps)

(Voices)

Razakel- Huh, Shh, Daddy's Home

Daddy- Honey?

(Chorus)

You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding
You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding

(Verse 1)

I Remember That Time When I Killed My Mother
There Was No I'll Intention Believe Me I Loved Her
But I Loved Him More, He Was My Reason To Live
And All The Things She Did To Me I Could Never Forgive
Syringe Filled With Bleach Into Her Arm I Inject
And Then Stabbed Her In The Stomach Till The Bed
Turned Red
And Now She's Dead And Then Daddy Comes Home
He's Coming Up The Stairs And Then He Opens Up The
Door
His Face Was Filled With Freight He Knew I Took Her
Life
He Looked Into My Eyes And Then He Started To Cry
No Need To Cry Daddy 'Cause You'll Join Her Soon
'Cause She Learned From You Which Is Why I Gotta Kill
You

(Chorus)

You Know You Never Did See Me

And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding
You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding

(Verse 2)

Look Away From Me, You Don't Want To See
And So You Try To Forget Your Own Insanity
But Now I Watch You Bleed And Now I Watch You Die
But For The Pain That You Feel Not A Tear I Will Cry
I've Had Enough Now Baby (I've Had Enough Now
Baby)
Everything He Says And Does Only Drives Me Crazy
He Made Me Into This Person That I Hate
Which Is Why He's Gotta Die So My Pain Can Go Away
I Grabbed His.45 And I Walked Down The Hall
I See All The Family Pictures Hanging Up On The Wall
And I Fall To My Knees Cry In Disbelief
This Family Had Everything But We Ended Up In Misery
And What Was The Problem It Was Always You
I Put My Finger On The Trigger I Knew What I Had To Do
Put The Barrel In His Face Right In-Between His Eyes
Then I Whispered To My Daddy "I Love You,
Goodbye..."
These Ones For Mom And How She Tried To Be Strong
This Ones For Mikey And How You Did Him Wrong
And This Ones For The Rest That Only Needed A Father
And This Ones For Me, Your God Forsaken Daughter

(Chorus)

You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding
You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding

(Chorus)

You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding
You Know You Never Did See Me
And You Never Needed Me
You Never Even Cared To Hear Me
It Looks Like You're the Next One Bleeding

(Outro)
I'm Sorry I'm So Ugly
Beauty Only Lies Skin Deep
It's So Sad You'll Never See (2nd Half Of The Battle Not
Yet Set Free)
I'm Sorry I'm So Ugly
I'm Not What You Want Me To Be
No More Tears And Suffering (2nd Half Of The Battle
Not Yet Set Free)
