(Verse 1)

Bxtches Ain't Shit But Hoes And Tricks  
Scandalous Attentions Whores  
Suckin Off My Non-Existant Dick  
Since You Can't Keep My Fuckin Name Out Your Mouth  
Do What Your Best At Doing And Fuckin Swollow It Down  
I Spit This Sick Shit  
And I'm Livin It All Day Bxtch  
While Your Slaving Nine To Five For Shitty Pay Checks  
I'm Gettin Paid Bxtch To Sit And Write Some Lyrics  
I'm Fuckin' Bxtches In The Face To Make Them Feel My  
Holy-Spirit  
Fuck That Unity Bull Shit I Stand Up On My Own  
Fuck Some Fantasies, I'm Casted Out And All Alone  
I'd Rather Have It That Way  
My Motivation is Hate  
Plus You Bxtches Only Use My Name To Get Some  
Fame  
Let Me Explain I am The Beginning And I am The End  
Every Bxtch Just Tries To Jock This Razakel Trend  
I Got No Competition Let It Be Known  
Just Cause I'm Down For A Track Don't Mean I Love  
Them Hoes

(Chorus)

Bxtches Ain't Shit But Hoes And Tricks  
Bxtches Ain't Shit But Hoes And Tricks  
Bxtches Ain't Shit But Hoes And Tricks

Bxtches Ain't Shit But Hoes And Tricks

(Verse 2)

Who Woulda Gussed I Ended Up The Underground  
Queen  
In Less Than Two Years I Was Crowned Fuckin Royalty  
I Weeded Out The Weak As You Can See  
I Even Got My So Called Homies Tryna Act And Be Like  
Me  
Can't Get A Second Deb re These Bxtches Keep  
Copying Me  
From My Clothes To My Braids To My Mothafuckin  
Piercings  
It's Kinda Crazy And It's Kinda Flattering  
But Don't It Bother To Know You Have No Creativity  
And Don't It Bother You To Know When You Get Fucked  
Your Boo Thinks Of Me  
And When He Busts His Nut He Falls Asleep And  
Dreams Of Me  
I Ain't Coincided It's Just Hard To Believe  
I'm Just A Scrub Who Got Lucky Now These Bxtches  
Wanna Fuck Me  
Fuckin Groupies Get The Fuck Off My Shit  
It's Like You Need The Dick To Live  
You Candy Creep Infected Tippy Bxtch  
I Never Trust A Hoe Cause A Hoes A Trick  
I Don't Love Them Tricks Cause A Tricks A Bxtch

(Chorus)
