(Verse 1)

Do You Hear Me; I'm That Voice Inside Of You

Do You Feel Me; I'm That Push That Makes You Move

I'm The One Who Always Makes You Nervous

I Give You Thoughts Of Torture And Give You
Murderous Urges

Young Virgins Have The Purest Blood

Bite Their Necks, Tear Their Flesh, Take A Bath In A
Blood Filled Tub

It's The Blood That Retains Youth And Beauty

Only You Can Wear The Crown Cause You're the Queen
Of Suffering

Strictly Young Females In Your Games Of Torture

No Bxtch Can Stand A Chance In Your Castle Of Horror

Up In The Death Tower They Will Meet Their Demise

Where No One Can Hear Them Scream, No One Can
Hear Them Cry

Stick Needles In Their Eyes And Underneath Their Nails

Save Their Tears In A Jar For Some Black Magic Rituals

And Then Freeze Them To Death, Show Them True
Misery

You've Been Possessed By A Demon And That Demon
Is Me

(Chorus)

I'm A Demon To Some And I'm An Angel To Others
Leave You Covered In Blood And I'll Make You Suffer
Pain, Torture, Death, And Misery
All From A Wicked Demon And That Demon Is Me
You're Possessed (Devil Come Out)
You're Possessed (Devil Come Out)
You're Possessed And I'm Right Here To Stay
Your Body Is My Home And I Will Never Go Away

(Verse 2)

Do You Hear Me; I'm That Voice Inside Of You
Do You Feel Me; I'm That Push That Makes You Move
I'm The One Telling You To Pick Up That Axe
And Hack Your Step-mom In The Back With Nineteen
Whacks

She Grabbed That Axe And Was So Quick To Attack
She Just Kept Hacking At The Bxtch And Then She
Started To Laugh

Oh Yes Lizzie Borden Don't You See What You Have
Done

How Fun, Good Job, Now Give Daddy Eleven

She Bludgeoned His Dome As He Was Sleeping
Peacefully

Blood Splashed On The Wall, And Even Splattered On
The Ceiling

The Bone Crushing Blows Broke The Blade Off The
Handle

His Face Dripped Off Like Burning Wax From A Candle

Be Loyal And Listen, Dispose Of Evidence And Clues

Wash The blood Off Yourself And Forever Hold The
Truth

They'll Never Know It's You But You'll Go Down In
History

You've Been Possessed By A Demon And That Demon
Is Me

(Chorus)

I'm A Demon To Some And I'm An Angel To Others

Leave You Covered In Blood And I'll Make You Suffer

Pain, Torture, Death, And Misery

All From A Wicked Demon And That Demon Is Me

You're Possessed (Devil Come Out)

You're Possessed (Devil Come Out)

You're Possessed And I'm Right Here To Stay

Your Body Is My Home And I Will Never Go Away

(Verse 3)

I'm That Demon Razakel Lurking In The Darkness

Violence Is A Must, I Got No Love, I'm Fuckin' Heartless

Mistress Of Death, I'll Kill You If You Deserve It

And I Speak In Verses, Prophecies, And Even Evil
Curses

I am That Demon That You Just Can't Cast Out

I Dwell Inside You, Till Your Sins, They Make You Black
Out

Pain, Torture, Death, And Misery These Are A Few Of My
Very Favorite Things

I Crucified A Bxtch On A Cross Upside-down

Stuck My Fist Inside Her Pussy Till It Came Out Her
Mouth

I'm A Demon Killing For The Father

Bringing People To The Slaughter

Women, Children, Animals They All Become Unholy
Martyrs

Killins, They Be Comin Deeper

Mutilate Their Facial Features

Everyone Is Gonna Die Because I am The Devil's Keeper

(Chorus)

I'm A Demon To Some And I'm An Angel To Others

Leave You Covered In Blood And I'll Make You Suffer

Pain, Torture, Death, And Misery

All From A Wicked Demon And That Demon Is Me

You're Possessed (Devil Come Out)

You're Possessed (Devil Come Out)

You're Possessed And I'm Right Here To Stay

Your Body Is My Home And I Will Never Go Away

(Chorus)

I'm A Demon To Some And I'm An Angel To Others

Leave You Covered In Blood And I'll Make You Suffer

Pain, Torture, Death, And Misery

All From A Wicked Demon And That Demon Is Me

You're Possessed (Devil Come Out)

You're Possessed (Devil Come Out)

You're Possessed And I'm Right Here To Stay

Your Body Is My Home And I Will Never Go Away
