(Verse 1)

The motherfuckin name is Razakel
I'm takin you bitches to hell
I'm making you body parts swell
Placing you under my spell
Go run and tell
Look into my eyes, Tonight you will die
I'm taking your life, Disguiseing it as a suicide
You could run to hide, Fight to save your life
You will not get by
Your a coward you cannot deny
My power you cannot defy
Sickified when day turns night
I make grown men cry in fright
I'm the most sickest bitch on the microphone
All you wannabes please go home
The underground is where I rome
Get the fuck outta here before ??? you in the dome
I'm getting drunk, Smokin blunts, Got a loaded shotgun
I've been a grada, I'm deformin free abortions
Pullin out fedisis, Throw em against the wall
Then hold them close, Their my living dead rag dolls
No time to stall, I'm comin to kill you all
When I rise to the top, All of the weak will fall
Your life is mine, It belongs to me
I enjoy sweet screams of misery

(Chorus)

You got something I want
You got something I need
I enjoy sweet screams full of misery
You got something I want
You got something I need
I enjoy sweet screams full of agony

Your life is mine
Give it to me, Give it to me
Your body is mine
Give it to me, Give it to me
In death your mine
Give it to me, Give it to me

Give it to me...

(Interlude)

You mean nothing to me unless you bleed
You got something I want and something I need
It's very vaitale that you give it to me
Give it to me...

(Verse 2)

I'm gonna kill again, Imma leave you hardly mutalated
Imma make a thick cut, Now your genetals are
castrated
The blood I'm tastin, I ain't wastin
Imma even bathe in it
Sip it up, Drink it up, Sip it up
Cause I know I'm gonna be cravin it
Just face it, You ain't goin anywhere
Don't even think to be free
Cause I don't fuckin care
This ain't about bein fair
This is about where
I'll be diggin a hole, And skinnin your body
And then all the flesh I will wear
Don't you dare, Come at me
Unless you feel like suffering
I'll bury you six feet deep, I'll make you bleed
Your life is mine, It belongs to me
I enjoy sweet screams full of agony

(Chorus)

You got something I want
You got something I need
I enjoy sweet screams full of misery
You got something I want
You got something I need
I enjoy sweet screams full of agony

Your life is mine
Give it to me, Give it to me
Your body is mine
Give it to me, Give it to me
In death your mine
Give it to me, Give it to me

Give it to me...
