Here I am
In the same place of shame
It's been some days since I called Your name
I feel alone again
Take me from this place I'm in
Help me Lord, cuz my search is failing

After the rain falls
The sun will shine again
And after my voice calls
You take me by the hand

Chorus:
Searching every day
Help me find Your way
Here I am won't You lead me
Purify my heart
Show me where to start
Take my hand won't You
Lead me, lead me

Here I stand
Not alone
I hear Your voice now
It's clearer
You are leading me
To the place I wanna be
A perfect plan for eternity

Chorus

No doubt in my mind
Jesus is real
If you feel what I feel - c'mon
Put them hands up
Put 'em up
Get 'em up
Yeah, you know He's real
Let me hear you sing

Chorus

Every day it's the same ol' thang
I'm on my knees crying Daddy please
I need You to lead me
I'm no hope on my own
When I'm all alone
It's a tragedy
Daddy, please would you lead me
I need you to lead me
