(Verse 1)

Everybody Wants To Underestimate Women  
All You Fools Are The Type I Wanna Slit Right Open  
Expose Your Insides Obliterate Your Life  
I'm The Wickedest Bxtch Alive  
Yes The Title Is Mine  
Femicide Is Defined As Female Genocide  
But In My Eyes it's Defined As A Sign To Rise  
Run And Hide Beg And Pray  
You Ain't Gonna Be Saved  
You'll Become My Slave  
Naked, Gagged Up, Attached To Chains  
Eviscerate, Terminate, Eliminate, Annihilate  
Committin' These Acts Of Torture  
Committin' These Acts Of Pain  
No Pain No Game  
My Poetry Is Insane  
JP Provides A Beat And I Go Psycho In The Brain  
Underground Is My Domain  
I Work Hard To Make A Name  
Three Years Deep And I'm Still Puttin' Divas To Shame  
You Can't Take Away My Spot  
I'm Something you Are Not  
Try All You Want You're Stuck In My Shadows It Or Not

(Chorus)

Look At How They All Want To Be Me  
Look At How They All Try To Be Me  
I Took My Spot, It Wasn't Given To Me  
It's The Rise Of The Bxtch  
And That Bxtch Is Me, Yeah  
Look At How They All Want To Be Me  
Look At How They All Try To Be Me  
I Took My Spot, It Wasn't Given To Me  
It's The Rise Of The Bxtch  
And That Bxtch Is Me, Yeah

(Verse 2)

Now It's Time For Me To Set Myself Apart  
From These Hoes With No Heart  
And With No Smarts  
Cause This Underground Shits In My Veins

Wicked Shit All Fuckin Day  
I'm Talkin Deeper Than The Hatchet  
Ain't No Room For God Up In This place  
I'm Killin God's People  
I'm So Kryptik From The Sick Side  
I'm Gonna Take You On A Hell Ride  
If You Don't Know Your Underground History  
What Makes You Think You Can Spit Or Be A Wicked MC  
It's Sad To Me Rappers Emerge  
They All Know Nothing  
Don't Pay Respects To The Best That Made This Scene  
Into Something  
So Fuck Watered Down Wicked Shit  
I'd Rather Shit In My Own Pussy Than Give Them  
Another Listen  
I'm A Fan Before An Artist  
Wicked And So Heartless  
I've Been Down With This Shit Even Before The Rapping  
Started  
Goes To Show Bxtches Are Uneducated  
Just A Bunch Of Pretty Faces  
Hated And Overrated, Oh.

(Chorus)

Look At How They All Want To Be Me  
Look At How They All Try To Be Me  
I Took My Spot, It Wasn't Given To Me  
It's The Rise Of The Bxtch  
And That Bxtch Is Me, Yeah  
Look At How They All Want To Be Me  
Look At How They All Try To Be Me  
I Took My Spot, It Wasn't Given To Me  
It's The Rise Of The Bxtch  
And That Bxtch Is Me, Yeah

(Outro)

Wanna Be Me  
Try To Be Me  
Given To Me
