Lately I've been counting down to
Nothing at all
Nothing at all

No bell will ring
No choir will sing
Nobody will be waiting for my call

So if the clock says that it's time to
Eat or drink or go to sleep
That's fine with me
That's fine with me
And if the clock says that it's time to do
Whatever I want to I'll be
Counting down 'til I'm with you

So lately I've been counting down to
Nothing at all
Nothing at all
When you're away I know the day
Won't mean that much
So I just stall

So if the clock says that it's time to
Eat or drink or go to sleep
That's fine with me
That's fine with me
And if the clock says that it's time to do
Whatever I want to I'll be
Counting down 'til I'm with you

'Cause I've tried time and time again
To help the hours pass me by
You know I try

Lately I've been counting down
'Cause well what else is there to do
Everything I do alone I'd
Rather do alone with you

So if the clock says that it's time to

Eat or drink or go to sleep
That's fine with me
That's fine with me
And if the clock says that it's time to do
Whatever I want to I'll be
Counting down 'til I'm with you
