You tell me your leaving,  
you been to for so long.  
I must have been dreaming,  
how could I been so wrong.

I never saw it coming,  
you going out on your own,  
but now that it's ending,  
I guess I'll go it alone.

(corus)  
But there is nothing to believe in  
nothing to hold on to.  
How can it be over  
when i still love you.  
When there's nothing to believe in  
and nothing to hold on to,  
my heart will be open,  
waiting for you.

The once when you held me  
like fire in the winter,  
A quench for the thirsty  
you are my drink in the desert.  
You brought me back the sunshine,

with the sound of your laughter.  
Now darkness is falling,  
on my sweet ever after.

(corus)  
And there is nothing to believe in  
nothing to hold on to  
how can it be over  
when I still love you.  
When there's nothing to believe in  
and nothing to hold on to  
my heart will be open  
waiting for you.

Oh there's nothing to beleive in

nothing to hold on to  
how can it be over  
when I still love you.  
When there's nothing to believe in  
and nothing to hold on to  
my heart will be open  
waiting for you.

My heart is still open  
waiting for you.
