Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

High, high is the sky

Low, low as it goes

Purple dragons fly into your eyes

Milkshake shimmy, cry, and cry, and cry

You're gonna don gon do it,

You're gonna make me cry

You're gonna don gon do it,

You're gonna make me fly

You're gonna don gon do it,

You're gonna make me cry

You're gonna don gon do it,

You're gonna make me fly

High, high as the sky

Low, low as it goes

Words that cut, slash, rip, and hypnotize

Why'd you say those things? Why'd you lie?

You're gonna don gon do it,

You're gonna make me cry

You're gonna don gon do it,

You're gonna make me fly

You're gonna don gon do it,

You're gonna make me cry

You're gonna don gon do it,

You're gonna make me fly

Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

Hii-ii-ii-ii-igh...

Knobs, knobs that turn

Love, love that burns

Paint over this broken-hearted life,

You are so fucked up, I wish you'd die

You're gonna don gon do it,
You're gonna make me cry
You're gonna don gon do it,
You're gonna make me fly
You're gonna don gon do it,
You're gonna make me cry
You're gonna don gon do it,
You're gonna make me fly

Hii-ii-ii-ii-iigh...
Hii-ii-ii-ii-iigh...
Hii-ii-ii-ii-iigh...
Hii-ii-ii-ii-iigh...
