Don't try to tell me that my intentions are untrue.
My eyes like butterflies you caught'em and they're
open wide.
Clouded and hazy futures clear whenever i'm with you
Just think of all the things that we could do to pass the
time
it's a walk in the park, it goes:
Na na na na na na na na na na na na na na

Cuz everybody's got a little piece of someone they hide
It's okey, it's the way we distract until the day that we
die
And though our future's gone uncertain it's gonna be
alright
Cuz though i'm leaving longing leaves me ever by your
side

And all our time together is tearing me apart
i can't hold you tomorrow but i hold you in my heart
And all our time together is tearing me apart
i can't hold out forever, but i hold you in my heart

Don't try to tell me that my intentions are untrue.
Don't ever bother me tryin' to tell me cuz you live a lie
Cuz in a moment or a minute i can see it through
And have a precious little second of you by my side, it
goes:
Na na na na na na na na na na na na na na

And our future's looking bright
In all the little pieces of the people that we keep inside
Cuz you can do-make-say-think-laugh-sink-drink all
night
All the little visions all the moments that we keep inside

And all our time together is tearing me apart
i can't hold you tomorrow but i hold you in my heart
And all our time together is tearing me apart
i can't hold out forever, but i hold you in my heart
