Hello! - Happyland

Hello!
Have you got something to say?
Then lets go,
It's not like I've got all day

Small Talk
Makes the world go round
Some comes up
and then it goes down
down down down down down
down

I don't know what people say,
Maybe you'll get through the day

Watch me, I can waste your time
Maybe you'll be wasting mine
I don't even know

Hello!
It's a beautiful day
Well I know a game we can play
I'll be me, and you can be you
We'll be dull, but at least we'll be true

I don't know what people say,

Maybe you'll get through the day

Watch me, I can waste your time

Maybe you'll be wasting mine
I don't even know

I don't know what people do,

What they say just can't be true

See me on my little screen

It don't mean a thing to me
I don't even know

I don't know what people say,

Maybe you'll get through the day

Watch me, I can waste your time

Maybe you'll be wasting mine
I don't even know

hello
(repeat till end)
